Dear Sir -

Yours of the 19th at hand: Work is progressing very rapidly. James. Heim and Elvyse have allready been photographed for passes as I saw that it would be necessary and would take some time for the passes to be ready

RG104 E-1 Box 181

I think it would be well if you would have made and opened to us as <u>quickly as possible</u> a waterproof covering for cases 25 feet × 28 feet and two waterproof coverings for press 8'x8' as the roof leaks badly and everything will be ruined

Will write you more fully in a day or two

Very Respectfully

H. S. Beckley
